Webroot® WiFi Security

Automatic Renewal Terms

I subscribed through the Play Store or the App Store

If you purchased through the Google Play Store™ or the Apple App Store®:

- Your plan begins with a 7-day free trial.
- If you cancel during the trial period, you won't be charged for the plan you selected.
- If you do not cancel during the trial period, you will be charged the subscription price for the plan you selected.
- Plans auto-renew unless cancelled at least 24 hours prior to the end of the then-current period.
- Unless you cancel your plan at least 24 hours prior to the end of the then-current period, you will be charged for a renewal at the then-current applicable price.
- You may cancel your plan or turn off auto-renewal at any time by adjusting your Account Settings in the Play Store or the App Store.
- Simply uninstalling the Webroot WiFi Security app will not cancel your subscription. You must follow our instructions to cancel, or you will be charged.
- Any unused portion of a free trial period is forfeited when you purchase a full plan.

I subscribed through Webroot's Online Store

If you purchased through Webroot's online store:

- Plans auto-renew unless cancelled at least 7 days prior to the end of the then current period.
- Unless you cancel your plan at least 7 days prior to the end of the then-current period, you will be charged for a renewal at the then-current applicable price.
- You may cancel your plan or turn off auto-renewal at any time by following the instructions at <https://www.webroot.com/us/en/auto-renewal-optout-wifi>. You will need to know the email address you used when you activated your WiFi Security account.
